Dear Glenbrook Aquatic Parents,

HERE IT IS!!! Attached are the parent volunteer assignments for the GA Super Teams Meet on January 9-11th. This is our first meet of the year and we want it to be successful and run smoothly. We really need your help to make it happen! All parents have been assigned to work when their children are swimming, which in many cases is more than one session. We have tried our best to make everyone comfortable and have some time off if multiple sessions are used. If you have multiple sessions, I worked hard to slot you half-sessions and if you are only doing one session, you may have been slotted for an entire session. Thank you all so much for your flexibility, understanding, hard work and commitment in making Glenbrook Aquatics "Super Teams" 2009 meet the best it can be!

Please report to the admissions/volunteer table upon your arrival to check- in and receive a name tag (for free admission). Note the time of your assignment and please be prompt. Plan to work the entire time indicated on your assignment sheet. We have tried to schedule all parents to specific time frames and not the whole session, so please be timely for reporting. You may have to work a bit longer than when your child completes their last event, please be prepared to do that and thanks for your cooperation in this matter. Please remember that if you cannot fulfill your slot, it is your responsibility to get coverage. The no show policy is in effect and each family will be charged if they fail to show for their scheduled volunteer position (s). We are looking forward to a great meet; after all, it is only two big home meets per year!

Thank you for your support!

**Kelly Pontarelli
NSSC Head Coach**

P.S. Glenbrook Aquatics Officials, wear your whites and work as many sessions as you would like for the weekend. You are not assigned inside this assignment package!
