Please be sure to have your 1650 swimmers have their own timers and counters. We also may run into a problem during the 400 IM and have to ask some spectators help us out late Friday night. The time line is not too bad on Friday night-9:30 PM at the latest.

Kiefer will be on hand to sell your swimmers any swim equipment you may need. Maui Wowwie will be selling fruit smoothies, we will have full concessions & coaches/officials hospitality as well as a t-shirt vendor and the bag-tag man.

All officials should contact Jim Orbon at jworbon@aol.com or just show up to work, report to pool office.

If you owe money, you will receive a separate e-mail soon. Thanks and see you this weekend! KP
